THE EMOTIONAL APPROACH

If you don't win, you don't pay.

Intense imagery suggesting abuse challenges the humanity of the viewer and helps trigger their natural instinct to step in and take action to defend a child. Gives them a strong, meaningful mandate: when you're standing at the voting booth, Do Something . . . vote to pass this levy.

VOTE FOR ISSUE 2. VOTE FOR ASHTABULA COUNTY CHILDREN SERVICES.

HERE ARE THE FACTS ABOUT THIS EMOTIONAL ISSUE.

Children Services investigate allegations of abuse and neglect, ensuring that children are protected and nurtured.

Sadly, we have seen how Ashtabula County's children's services have been underfunded for years. In 2011, we received a 10% decrease in state funding. In 2012, we received a 10% decrease in state funding. In 2013, we received a 10% decrease in state funding. This means that we have less money to protect and nurture our children.

In addition, our levy dollars will provide additional funding for children's services. This means that we can provide more resources to protect and nurture our children.

Help protect our children. Vote for Issue 2.

STATE & FEDERAL FUNDING CUTS VS. NUMBER OF CHILDREN IN CARE

HOW IT WORKS

1 CHOOSING A CAMPAIGN

- >> You e-mail us with a convenient day & time for a 1/2 hour phone call.
- >> We call you at the appointed time.
- >> You tell us about your agency, your county, the makeup of its residents, and your county's levy history
- >> We talk over the seven different levy marketing campaigns and discuss which one would best fit your particular levy
- >> You choose the levy campaign you want to use

2 DETERMINING FEES

- >> **Fee for renewal levy: \$600**
- >> **Fee for new or additional levy: \$600 + value of new levy (based upon \$3,000 x new mill rate)**
Examples: 1.0 mil rate = \$3000
1.2 mil rate = \$3,600
2.0 mil rate = \$6,000

- >> Funds for fees are placed in an escrow account
- >> If your levy passes, we collect our fee
- >> If your levy fails, the funds go back to you.

So you risk nothing.

3 CREATING A COMPENSATION FUND

Once you have chosen a campaign, we will send you a PPT presentation featuring your campaign, which can be customized by you with your logo and specific information about your levy. This presentation can be used with donors, to explain:

- >> Overview of your levy and why it needs to pass
- >> How their donation can help fund a professionally produced levy campaign
- >> The creative elements making up the campaign you'll be using, including the TV spot customized with your County Name and Issue Number
- >> Background information about Win-Your-Levy.com

4 CHECK OR ESCROW ACCOUNT

Once you have collected the funds, you may send us a check (which we will hold onto until the levy results are known), or deposit funds into an escrow account at Escrow.com (a fee will apply). Once we have received your check or have verified the funds are in escrow, all campaign elements will be customized with your levy information and released to you to begin using.

5 YOUR CUSTOMIZED CAMPAIGN

We will send you PDF files of print work, JPEGs of digital work, and an MP4 of your radio spot. You will also receive a link to your customized video and a proper format of the :30 TV version will be emailed to the station(s) you request. Your custom website will be launched and you will be provided with the link to include in your emails and Facebook postings.

6 WEDNESDAY MORNING

You will inform us of the election results via an automated email that will be sent to you. If your levy fails, you will be required to verify through providing a link to a local news source, at which time your funds in escrow will be returned to you or the check you sent will be ripped in half and returned to you.

**SO, IF YOUR LEVY PASSES,
WE COLLECT OUR FEE.**

**IF YOUR LEVY DOESN'T PASS,
THE FUNDS GO BACK TO YOU!**
